

# THE COPPER CHRONICLES:

Everyday Magic in Modern Life

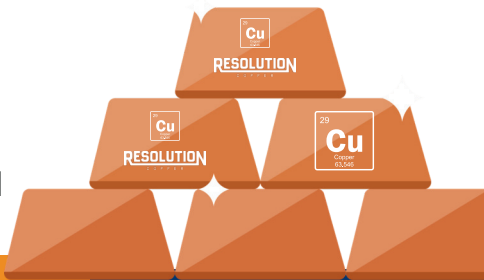

**EVER WONDER HOW YOU MAKE IT THROUGH YOUR DAY WITHOUT A HITCH?**

*The answer might surprise you: it's copper!*

Take a journey through the day and see the incredible ways copper powers your every day.

Your morning alarm, powered by copper.

That first sip? Thank copper.

Copper brings the hot shower.

You turn the key. Copper does the rest.

Emails, Wi-Fi, calls. All copper.

Your lunch, powered by copper.

Streetlights on. Copper at work.

Movie night, powered by copper.

Charging up for tomorrow, thanks copper.
